

Quick Start Guide

Panasonic FZ-N1 TOUGHBOOK

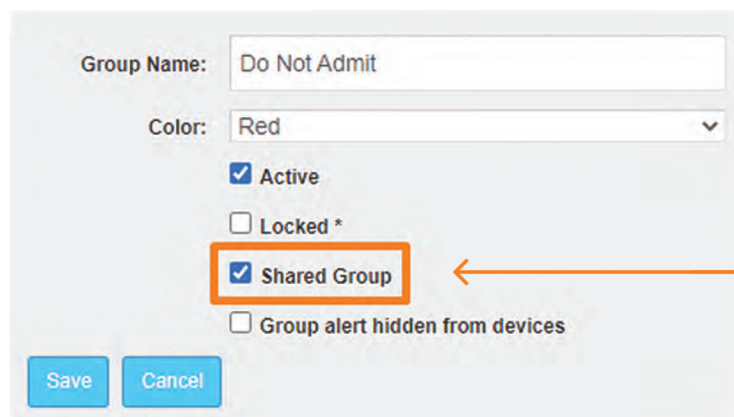

Additional Features

1. Groups

To use this feature, tap “Group Not Assigned”. Select from your list of available Groups, then tap Save. You will also have the option to add a comment.

2. Shared Groups

Set up Groups to be shared with other properties so that everyone can be notified if someone is on your “Do Not Admit” list.

Group Name: Do Not Admit

Color: Red

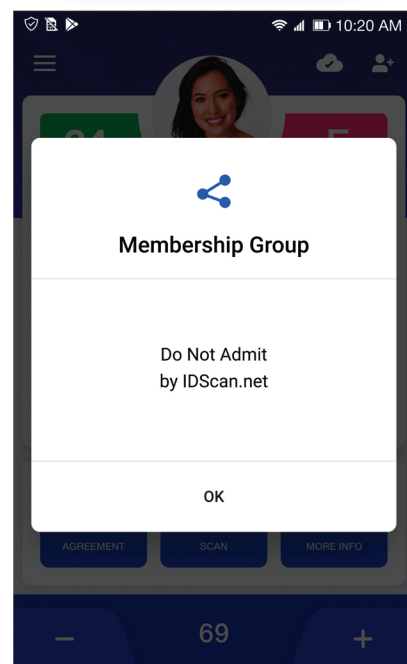

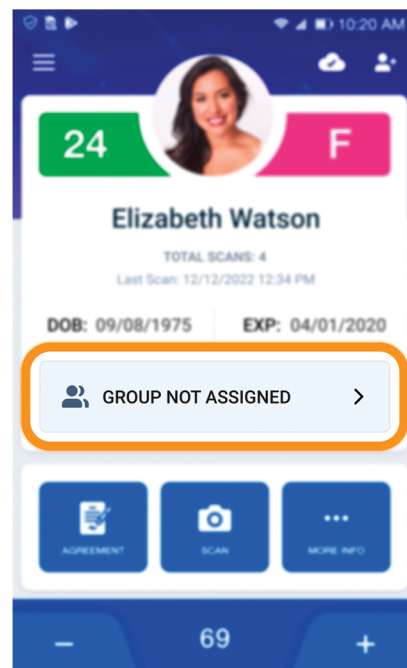

☒ Active

☐ Locked *

☒ Shared Group

☐ Group alert hidden from devices
